serving the nation's lead needs since 1952 with a full line of radiation shielding products

PURE LEAD PRODUCTS

LEAD PIGS, LEAD CASTINGS & LEAD PLATES

Radiation Protection Products uses only the purest lead available for our Lead Pigs and Lead Ingots, Custom Lead Fabrications/Castings and our Lead Plates. Absolutely no refining takes place at our facility, making us one of the cleanest, most environmentally friendly radiation shielding providers in the industry. This allows us to provide the best lead pigs and lead ingots in the market.

LEAD PIGS

Our lead pigs and lead ingots are available in any size and specification. Contact Radiation Protection Products for more information.

CUSTOM LEAD FABRICATIONS/CASTINGS

Our industry experience can provide you with all your lead lined or lead poured needs.

With over 50 years experience in:

- Nuclear casks
- Keels
- Castweights
- Storage containers
- Ballasts

Other types of lead, such as antimonial or hard lead are available. Contact Radiation Protection Products for more information.

LEAD PLATE

Any custom size lead plate is available upon request. Contact Radiation Protection Products for more information.
